

Share Your Success Story with the User Community

\$50 Gift Certificate

Dear Channel Partner,

Inscape Data's Marketing Department seeks your assistance in helping us to promote your company and ours. Every other month, Inscape Data publishes an E-Newsletter to literally thousands of customers worldwide in the wireless and security video industries. One of the features of the E-Newsletter is a spotlight section on your success stories. Inscape Data would like to share our worldwide user community about your wireless and/or video project. In the bi-monthly newsletter, Inscape Data will include a description of your project and photo(s) too, when adopted! We know our reseller partners are doing some great projects and we boast about them all the time. Now, it is time for you to share your success stories within our user community.

If you have a project that you are particularly proud of or even one that's a little different or unique, please share it with our worldwide user community. The following link will take you directly to our success stories submission form:

<http://www.inscapedata.com/successstoriesform.xls>

Please send us your stories to sales@inscapedata.com with the success stories form attached. If we adopt it in our bi-monthly E-Newsletter, we will send you a \$50.00 Inscape Data Gift Certificate for any future purchase of Inscape Data's products. We look forward to hearing from you soon.

Sincerely yours,

Sales Department
Inscape Data Corporation
